**Re: Notice of Change of Counsel (Docket WS-02987A-06-0663)**

Ladies and Gentlemen:

In Decision 69414 (April 16, 2007), the Arizona Corporation Commission ("Commission") approved the application of Johnson Utilities, L.L.C., to extend its Certificate of Convenience and Necessity to include a planned development known as Skyview Farms. Prior to the issuance of the decision, on January 5, 2007, the various owners of the Skyview Farms property filed a motion to intervene,<sup>1</sup> which was granted by the administrative law judge in a procedural order dated January 22, 2007. The current owners of the Skyview Farms property are LeSueur Investments VIII, L.L.C., Skyview OIO, LLC, and Casa Grande Camp Farm L.L.C. This letter is to notify the Commission that I represent these owners of the Skyview Farms property in the above-referenced docket. Please change the service list for the docket to reflect my representation of these entities.

Sincerely,

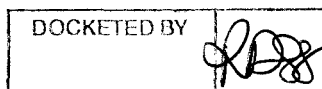

Nathan Andersen  
General Counsel
